

Kasey L. Labelle, CPWA

Leadership · UX Development · Web Accessibility · Design

PROFESSIONAL EXPERIENCE

Manager, UX Front End Development · Boston Scientific 09/2020 - Present

- Promoted from Lead UX Front End Developer to Manager, UX Front End Development 02/2022
- Manage a global team of 5 developers who build the design system, delivering an annual cost savings of \$3.8M, and exceed component, accessibility, and web sustainability goals
- Provide strategic and operational consultations for development and accessibility
- Hired, developed, and promoted staff, doubling capability in first year as manager
- Earned People Leader Survey score of 99%, outperforming the company average of 81%
- Established a cross-functional program to develop, scale, and sustain a culture of accessibility
- Increased corporate website Lighthouse accessibility scores by 20% and WebAIM Million ranking by 466K, landing Boston Scientific in the top 25% and surpassing competitors
- Won 2 internal awards for innovation and received 7 nominations in 2.5 years

Designer, Developer, Consultant, Project Manager · KLL 05/2010 - Present

- Design, develop, and produce identity systems, websites, promotional items, invitations, announcements, favors, and print and digital materials
- Provide web accessibility consultations
- Manage projects from concept to completion, assembling fluid teams as needed

Senior UX Front End Developer · Epsilon 10/2018 - 09/2020

- Led a team of 3 UX Front End Developers and mentored 7 teams of product developers
- Built the component library from scratch, assisted with implementation in 6 products, and advocated for a standardized product tech stack to increase value and efficiency
- Led multiple major product rebuilds, rearchitecting and refactoring front end code to improve the UX, UI, WCAG compliance, maintainability, scalability, and performance
- Reduced external styles from 25,000+ lines to 2,400 lines in a legacy product
- Established code standards and curated resources to elevate organizational knowledge
- Created a hiring process that led to high-performing hires in Boston and India

Senior Software Engineer · Vistaprint 04/2014 - 09/2018

- Promoted from Senior Front End Developer to Senior Software Engineer 05/2016
- Promoted from Web Designer and Developer to Senior Front End Developer 02/2015
- Developed highly configurable pages and components used on 20+ localized websites
- Built a micro frontend using React and SCSS to enable rapid UI experimentation
- Utilized and contributed to the UI Library
- Mentored junior developers and led trainings on responsive design and web technologies
